This Soccer Camp will cater for every ability level from beginner to superstar. Every day is carefully structured to give your child the opportunity to learn new techniques, enjoy physical activity and meet new friends.

Tournaments and competitions will be built into the programme, so the juniors get the chance to use the new skills they have learnt.

Participants aged 5 to 14 are sure to grow in confidence, personal achievement and team work throughout the programme. If you are looking for a soccer camp for your child to keep them active during the summer then book their place now.
